

Passport Activity Newsletter

Easter 2023

Welcome to the **Easter edition** of our Sheffield CU Passport Activity Newsletter.

It's packed with fun activities happening during the Easter holidays – from music and multi-sports, to drama lessons in becoming a spy, arts and crafts, creating monsters, forest schools, science, cookery and gaming, there really is something for EVERYONE!

In here you'll find activities taking place across the city in the school holidays – and if your child has a Passport to Learning, they'll be able to earn CU credits for taking part in all of them! You can buy a Passport to Learning (£3.50) from any Sheffield Library (if you attend a Sheffield School or are a member of our Home Education scheme). Some of the activities are FREE while some will need to be paid for, and some require booking in advance.

During 2020 and 2021, we published daily CU Home Learning Challenges and we reached **98** of them by the end of the school year! As they were so successful, we continued publishing challenges during the school holidays and the great news is that they're all still available for you to download and complete, so have a look for the links to access them on the next page. There is information on how you can claim CU credits for completing these challenges if you normally attend a Sheffield school and have a Passport to Learning.

If you see challenges published by other CUs, then do feel free to complete them. To claim your CU credits for these, you'll need to fill in our online form: <https://bit.ly/claimSCUcreditsbeyondSheffield> We LOVE to see photos of your learning, so do email them to us at CU@sheffield.gov.uk

You can find Learning Destinations in Sheffield and beyond at www.childrensuniversity.co.uk or see our latest list at the end of the newsletter. We've also included Rotherham and Doncaster CU Learning Destination lists too!

If you would like to join our Parent/Carer Mailing list to receive updates, activity information and news, please email CU@sheffield.gov.uk. Otherwise, make sure you're following us on social media for our activity news and other regular updates! In the meantime, stay safe, stay happy, have fun and keep learning!
