

Trust parent survey

Dear parents and carers,

Your Voice Matters

I hope this letter finds you and your family in good health.

To gain a better understanding of your views and experiences with our academy, we invite you to participate in our Parent Survey for the academic year 2023/24. To gather your feedback, we are working in partnership with Teacher Tapp using their School Survey platform, which is completely anonymous.

Your responses will help us identify our strengths, address areas for improvement, and tailor our offer to better meet the needs of our students and families. The survey questions are based on those Ofsted ask and so some questions may be familiar to you.

Survey Deadline: The final deadline for completion is 3rd December.

The survey covers various aspects of our academy, including but not limited to:

- What you think of our academy
- How well issues are handled
- The support you receive and what more we could do.

This survey should take less than 10 minutes to complete- so please do share your views!

Many thanks

G. Cottingham
